Sunnyside Church Partnership

We are so thankful for your desire to partner with us here at Sunnyside Church to reach out and serve with our community for Jesus Christ. *Philippians 1:4-6*. It is critical for our mission to have like-minded people willing to partner with us as disciples who have a passion to make other disciples in our community and around the world. *Matthew 28:18-20*.

To be an effective Sunnyside Partner we believe that we all need to be united in two key areas. First, we must be united in our beliefs, and second, we must be united in the mission that God has given us. We believe that unity in these two areas equals being a partner with a passion and a drive to carry out God's plan for Sunnyside Church in Happy Valley and around the world.
